## BIO

Jordyn Dyer is a 5'9" shooting guard in the class of 2026 at La Cueva High School in Albuquerque, New Mexico. She also plays for the NM Clippers 17U S40 team. During the 2024-2025 season, Jordyn averaged 20.5 points per game, ranking fourth in New Mexico and first in Division 5A, while also contributing 3.0 assists, 6.6 rebounds, and 3.1 steals per game. Her standout performances have earned her multiple Player of the Game recognitions, solidifying her reputation as a key playmaker. With her strong all-around game and ability to lead on the court, Jordyn continues to make a name for herself as one of New Mexico's top young talents.
